Sunday School Students Offering to make a BIG difference! Would you like to donate your spare change & help the New Life Sunday School students make an offering that will impact others in impoverished areas? The offering collected in Sunday School through the end of May will go to World Vision to purchase animals (chickens, goats, pig, ducks) to help families/communities in need. See the poster in the LL to let the students know how much money we have collected to date & what animal or number of animals we can purchase with our donation. Please mark your donation to "World Vision" or put your money in the container located in the church lobby. Squash Envy: Tell a Better Story- by Tim Chaddick- Envy is quite a bit like the Incredible Hulk. It's green, it gets angry, and it makes everything we own look like rubble. Tim Chaddick, the founding pastor of Reality LA and author of the book "Better: How Jesus Satisfies the Search for Meaning" challenges us look deeper at the true effects of envy in our lives. Is it really that bad?

Contentment in a Covetous World, by Melissa Kruger- We scroll through social media and can often end up feeling discontent or cheated. Why is her life so much better? Why has God not given me that? Mark Mellinger from The Gospel Coalition sits down with author and women's ministry coordinator Melissa Kruger to talk about cultivating contentment in a covetous world.
