**Learning From Our Failure**, by Cheryl Bachelder- No one likes to fail. In most cases it can feel like wasted time, it can feel embarrassing, or leave us feeling hopeless and stuck. Yet, our failures are the very things that teach us the best lessons for our futures. They mold us, shape our future decisions, and serve as a way to help us grow. In this clip, Cheryl Bachelder, former CEO of Popeye's Louisiana Kitchen, shares why our greatest lessons learned come from failing and moving forward.

**How Do I Deal With Shame From My Past?**, by Ed Welch- Shame from the past can have a powerful grip on you and it can seem impossible to break free. Dr. Ed Welch, counselor and faculty member at Christian Counseling Educational Foundation (CCEF), explains the hope God offers people who are bogged down with shame. He encourages us to dive into Scripture to see how God gives us freedom from shame.

**The Accidental Pharisee: Idolizing the Past**, by Larry Osborne- It can be easy for passionate disciples to become accidental Pharisees. In this video, Larry Osborne, author and Senior Pastor of North Coast Church, talks about the danger of idolizing the past.
