Some suggested Right Now Videos to view in response to this week's message:

The Wisdom of God, by Nancy Guthrie- Wouldn't you love to be wise and know the God who is Wisdom himself? This study mines the Wisdom Literature not only for wise principles for living, but also for the wise person these books point to through their drama, poetry, proverb, and song—Jesus. Bible teacher Nancy Guthrie provides clear commentary and contemporary application of biblical truths found in the Wisdom Books regarding: how God guides us; how we can make sense of our suffering and our dissatisfaction in life; how to deal with our uneven emotions; our need for security; and our longing to be loved.

Gain a fresh perspective on the Wisdom Literature, a broader understanding of Jesus as the fulfillment of Scripture, and much more, when you join with Guthrie on this incredible journey to see Jesus in the Old Testament!

Decision-Making, by Henry Cloud- Every leader wants to make better decisions. But often the way forward looks murky and we aren't sure what we should do. Join bestselling author, psychologist, and leadership expert Dr. Henry Cloud as he highlights some strategies that will help you make better decisions and grow as a decision-maker.
