The Power to Change, by Jennie Allen- Life change happens at the moment you begin a relationship with Jesus. You have been rescued. But what happens when daily temptations and distractions from following Jesus leave you feeling overwhelmed and stuck in the same discouraging patterns? This study will help you understand the work of the Holy Spirit in your life and the process of sanctification. There is no checklist to follow, but there is a daily act of surrender to a God who will continue to mold and shape you.

Holy Habits, by Derwin Gray- When God calls us to himself, he sets us apart—he makes us holy. But what does it mean to be holy? What habits define God's people, no matter where they are on earth or which denomination they are a part of? In this four-session series, pastor Derwin Gray explores four foundational behaviors of Christians. God calls us to a new way of living, one formed by rhythms of holiness.

Habits, by Marcus "Goodie" Goodloe- We all want to see our dreams become a reality, but many of us don't realize how our everyday habits are the key to either making progress or becoming stuck in a rut. So what can we do to identify and establish good habits while ridding ourselves of patterns that keep us from relationally, spiritually, and emotionally thriving? Join bestselling author Marcus "Goodie" Goodloe in this six-session series as he guides us through the six steps to achieving life-changing practices.
