The Power to Change, by Jennie Allen- Life change happens at the moment you begin a relationship with Jesus. You have been rescued. But what happens when daily temptations and distractions from following Jesus leave you feeling overwhelmed and stuck in the same discouraging patterns? This study will help you understand the work of the Holy Spirit in your life and the process of sanctification. There is no checklist to follow, but there is a daily act of surrender to a God who will continue to mold and shape you.

The Dream of You, by Jo Saxton- Is this the life you were meant to live? Let's be honest, the life you lead isn't what you've always dreamt. And maybe the person you've become isn't who you've always imagined. Sure, you can clean it up. You can work longer, love harder, and eat better. You can scrub the surface of your life until it gleams and still never address the fact that somehow you lost sight of who you really are and what you're living for. In this powerful 6-session Bible study based on her book, author and speaker Jo Saxton examines biblical figures and shares her personal story as she invites you to turn to the One who knows you intimately and loves you deeply. Discover how to exchange an identity built on lies, guilt, and brokenness for your true child-of-God self.

Leadership with a Purpose, by Don Soderquist- Walmart is the largest company in the world. Don Soderquist, retired COO of Walmart, knows why. In this fifteen-session series, Don shares from the treasury of knowledge and experience he earned in his twenty-plus years at Walmart and challenges leaders to purposefully dream big, always grow, and invest time well.
