Telling Your Kingdom Building Story! As we continue to hear “Kingdom Assignment” reports, here are some things which might be helpful:

- (1) Take as many pictures as possible of the process, end result, those involved, etc.
- (2) Take video, as appropriate, to illustrate what you have done & who was impacted.
- (3) Write up your own version of events - your initial response to the Kingdom Assignment, how ideas came to you, what you did, with whom you did it, results, future ideas, how participating in the assignment changed you, etc. The Outreach Team will work with you to communicate to the congregation how your response to the Kingdom Assignment is “Building the Kingdom of God”. Please drop off your summary page in the lobby conference room.

Passion & Purpose, by Louie Giglio- Chances are, we've all been there. Stuck in a job...day after day...asking "What is the purpose of my life? Is this all there is?" In "Passion + Purpose," we discover that God has uniquely gifted us with a passion. Though each of our passions is different, each of them has been specifically fitted for us by God. Among us all are incredible business people, artists, athletes, scientists, moms, dads, chefs, accountants...the list is endless! There is something specific in each of us that makes us come alive. That's our passion. Then, accompanying every passion, there is a purpose. God's purpose is to make Jesus famous. So, whatever we do or wherever we go, we find that God is inviting us to leverage our passions for one greater purpose. It's then that our passion and our purpose collide in the beautiful story of God.

Made For A Purpose- Six professionals share their journey to discover their bigger purpose in life so that you can find yours as well. Go behind-the-scenes with an NFL kicker, an Apple engineer, and entrepreneur, a British doctor, an investment manager, and a business owner to see how God led them. These short films will inspire you with the key ingredients to a life of purpose and significance. You'll be reminded that what you do everyday matters and that you have a valuable role to play in God's kingdom.
