Water-Walking Faith, by Jason Mendis- God's dream for your life isn't in the boat. It's on the waves. And He is calling you to step out. In this inspiring six-part series, Jason Mendis walks us out onto the water and into the astonishing encounter between Peter and Jesus in which Peter responds to the call to step out of the boat and into the unknown. The details hidden within this extraordinary story show us what it could look like to live a life of water-walking faith, confident in God's direction and provision.

Gospel Identity, by Brody Jespersen- How does the truth of the Gospel, what Jesus has done for us, influence and shape who we are? What happened in the garden of Eden still impacts us today, as we are all born sinful people, but how did this happen? What does it mean for God to love us despite our brokenness? And what did He do because He loves us so much? Discover the great invitation we are given as loved, rescued people!

Identity, by Rahul Agarwal- What we believe about ourselves shapes our identities. Unfortunately, there are a number of false beliefs we're carrying around. Not only do those false beliefs impact how we view ourselves, they also rob us of a more fulfilling life. In this two-session study called Identity, you will explore some common false beliefs people have about themselves and what to do about them.

Identity (ESPECIALLY for YOUTH), by Eric Mason- Who are you? Our world values being unique. So much so, that we end up looking the same as we try to be different. But we aren't a number. We aren't our clothes, our relationships or our accomplishments. In Christ we are much more. In these four thought-provoking Bible study sessions, Eric Mason compares the message the world constantly tells teens about their identity with the truths found in Scripture. The world tells us it's all about how you look, what you have, what you do, and whom you are connected to. But Scripture teaches that while those things can be important, they do not constitute who you are. As followers of Jesus Christ, our identity is found in Him. With biblical teaching and real-life stories, this series will help students ground their identity in Christ and live boldly as children of God and heirs of heaven.
