Humility, Legacy and Leadership, by Don Soderquist- Strong leadership requires humility. The humble leader will honor the legacy of those who came before, encourage his people to succeed and respect the decisions of his peers. David Glass, retired Walmart CEO, and Don Soderquist, retired Walmart COO, share how they applied these leadership principles.

Servant Leadership in the 21st Century, by Madana Kumar- In a world obsessed with power, status, and significance, Jesus' call to be a servant to those we lead sounds like a bizarre, impractical mandate. Going beyond the buzzword to the biblical roots, Madana Kumar explores the qualities that set Christ's model apart: humility, selflessness & deep connections that seek to empower others, shifting us from temporary greatness to eternal significance.
