Sunday School (Infants-12th Grade) gathers after "A Time for our Young People," meeting teachers in the lobby & going to LL. Parents can pick up their children in the classroom following worship.

Children's Worship Packets are available at the sanctuary entrance with items to help busy minds and hands during worship. Please return them following worship.

Nursery is available for those three years old and younger. You may take your child to the nursery following "A Time for Our Young People," or prior to worship.

Cry Room – Located at the left rear of the sanctuary, and off the lobby, this is available for families with young ones who are restless. There is a speaker with adjustable volume for listening.

Some suggested Right Now Videos to view in response to this week's message:

Gospel Identity, by Brody Jespersen- How does the truth of the Gospel, what Jesus has done for us, influence and shape who we are? What happened in the garden of Eden still impacts us today, as we are all born sinful people, but how did this happen? What does it mean for God to love us despite our brokenness? And what did He do because He loves us so much? Discover the great invitation we are given as loved, rescued people!

Identity, by Matt Chandler- What is God's mission? Identity explores what a maturing disciple looks like, focusing on the mission of the church: to bring glory to God by making disciples through gospel-centered worship, gospel-centered community, gospel-centered service and gospel-centered multiplication.
