Path of Spiritual Growth, by Henry Cloud- The path of spiritual growth is different for everybody. Join Dr. Henry Cloud as he gives you the tools to better equip you regardless of where you find yourself on that journey.

Awaken a Better You, by BJ Thompson- Born to a seventeen-year-old mother on the gang-permeated streets of Dallas, Texas, BJ Thompson understood that as a Black man his starting place was disadvantaged, under-resourced, and unequipped. However, as he did with Moses in the wilderness, God prompted BJ to look down and see what was in his hands. What BJ thought was a disqualifying story qualified him. Everything that he thought made him weak, disadvantaged, and insignificant were things God would use in powerful ways. With this new understanding, BJ grabbed hold of his agency and rose above the obstacles set before him to transform his life. Now an influential life coach, BJ has inspired millions and coached more than 10,000 people toward transformation with his propriety model. It's your turn now. BJ wants to help you get unstuck, overcome your unique hurdles, and enact real, lasting change in your life.
