**Some suggested Right Now Videos** to view in response to this week's message:

**Transformed**, by Chip Ingram- Is life change really possible? If we're honest most of us would answer, 'No.' That's because most of us have tried numerous programs that promise big changes, but in reality, deliver very little results. You long for transformation, but don't know where to begin. There's good news for you and there is hope! Life change is possible! You were made to grow, to change, and to experience intimacy and adventure. In this series, you will learn how life change can happen to you. Join Chip Ingram as he helps you to identify the barriers that have held you back from receiving God's best and then break out of a destructive lifestyle and become the person you've longed to be. This series is designed to help move you from the frustration of failure to the freedom you have in Christ.

**Engaged & Transformed**, by Chris Browne- What does it look like to walk in the footsteps of Christ? How does Christ invite His followers on the journey of transforming our head, heart and hands to align with His reflection? This devotional teaching video from the 200 level Life of Christ Course examines three days in the life and relationship between Christ and His disciples and provides us with a challenging look at the process of transformation.

**The Book of Galatians**, by Kyle Idleman-If someone asked you to explain the gospel, what would you say? What is the good news of the Christian faith? Writing to the Galatians, Paul made it clear how easily we can be tempted to turn toward fraudulent gospels, especially those that teach we can earn God's love through our works. Though they may have the appearance of truth, they are lifeless and leave us empty in the end. Kyle shows that true freedom is found in surrender, not self-dependence. Because our gospel is not one based on our works, but faith in the finished work of Jesus Christ
