**Some suggested Right Now Videos** to view in response to this week's message:

**Squash Envy: Tell a Better Story**, by Tim Chaddick- Envy is quite a bit like the Incredible Hulk. It's green, it gets angry, and it makes everything we own look like rubble. Tim Chaddick, author of the book "Better: How Jesus Satisfies the Search for Meaning", challenges us look deeper at the true effects of envy in our lives. Is it really that bad?

**Motives Matter**, by Tim Chaddick- Tim Chaddick offers us insight into why motives matter. Often, the busyness of modern life leaves us Christians with only a handful of spare seconds to spend reflecting on our motives. When we allow sinful motives to rampage through our lives it rots us from the inside out. By taking time to allow the Word of God to seep into our motivations, we can live as healthier Christians.

**The Book of Galatians**, by Kyle Idleman-If someone asked you to explain the gospel, what would you say? What is the good news of the Christian faith? Writing to the Galatians, Paul made it clear how easily we can be tempted to turn toward fraudulent gospels, especially those that teach we can earn God's love through our works. Though they may have the appearance of truth, they are lifeless and leave us empty in the end. Kyle shows that true freedom is found in surrender, not self-dependence. Because our gospel is not one based on our works, but faith in the finished work of Jesus Christ
