Celebration of Holy Communion

This is Amazing Grace

All who trust in the Lord Jesus Christ for forgiveness of sins and salvation, and seek to follow in His ways, are invited to share in this Holy Meal. Communion will be served to you in your seat. When you receive the elements please wait until all have been served.

The wafer is under the top cellophane seal, the grape juice is under the aluminum foil seal. We'll consume the meal together. In remembrance of Jesus Christ & in thanksgiving for all He offers us, we share.

Some suggested Right Now Videos to view in response to this week's message:

Dark Night, Bright Light, by Berni Dymet- It doesn't matter who you are, we all travel through dark places in our lives. And in those dark times, it can be so difficult to put your faith into practice; to remember that God is in the Light business! In this series—Dark Night, Bright Light—Berni Dymet opens up God's Word for us to spend some time with King David, as we look back on what God did in his dark times. The times of fear. This four week exposition of Psalm 34 is a powerful series for anyone who has been, is or will be in a dark and fearful place in life.

Passion & Purpose, by Louie Giglio- Chances are, we've all been there. Stuck in a job...day after day...asking "What is the purpose of my life? Is this all there is?" In "Passion + Purpose," we discover that God has uniquely gifted us with a passion. Though each of our passions are different, each of them have been specifically fitted for us by God. Among us all are incredible business people, artists, athletes, scientists, moms, dads, chefs, accountants...the list is endless! There is something specific in each of us that makes us come alive. That's our passion. Then, accompanying every passion, there is a purpose. God's purpose is to make Jesus famous. So, whatever we do or wherever we go, we find that God is inviting us to leverage our passions for one greater purpose. It's then that our passion & our purpose collide in the beautiful story of God.

A Light in the Business World, by Anne Beiler- Leaders in the workplace have a significant opportunity to be a light in the world of business, but doing so requires a commitment to guiding principles. The values of an organization will determine the type of influence it has in the world. In this 6-part course, Anne Beiler, reflects on her experience founding the nationally renowned company, Auntie Anne's, to encourage leaders in boldly living out their faith for the glory of God.
