**The VBS team is excited** about the lessons for 2024 SCUBA VBS that can spark the life long friendship with Jesus in every student's heart. We can continue this long after VBS by gifting them their very own age appropriate bible. We need YOUR help to make this treasure a reality- total amount needed is \$1239.20. An anonymous donation for all 20 preschool bibles has already been given. We ordered 80 elementary bibles that cost \$15.49 each. We are excited to gift these into the hands of all VBS attendees. How many VBS kids can you sponsor? Be sure to put "VBS bible" in the memo. To donate place your check or cash in the envelope in the lobby. Or donate online at <https://engage.suran.com/nlc-wash/s/give/new-gift>

**We are gearing up for another FIN-tastic VBS this summer**, July 15-19 9am-12pm. Dive into friendship with God. This year every child will get to receive their very own bible to take home- if you would like to make this dream a reality see a VBS team member. **Sunday School Students Offering to make a BIG difference!** Would you like to donate your spare change & help the New Life Sunday School students make an offering that will impact others in impoverished areas? The offering collected in Sunday School through the end of May will go to World Vision to purchase animals (chickens, goats, pig, ducks) to help families/communities in need. See the poster in the LL to let the students know how much money we have collected to date & what animal or number of animals we can purchase with our donation. **Reclaiming Motherhood: Embracing the Untamed Beauty, Fun, Passion & Vitality of Motherhood**, by Mandy Arioto- When was the last time you regarded your role as a mother as life-giving and fun? Being a mom is supposed to be “rewarding,” but often we as mothers get stuck in a draining, repetitive cycle when it comes to parenting and living our daily lives. But what if there was another way to approach motherhood, a way that enables us to shift our perspective on what it means to be a mom and ushers in a joyful new season of mothering? In this six-session series, Mandy Arioto invites mothers in all stages of mothering to join her in rediscovering and reclaiming the beauty, fun, passion and vitality of motherhood.

**Gather Moms: Mom Struggles**, by Jenny Worsham- The years of motherhood are paved with both tears of triumph and struggle. Our hearts and minds are tangled up in learning to love ourselves and the children God gifted us. We know who we were before kids, but who are we now? Oftentimes we find ourselves overwhelmed, lonely, and lost. Our struggles are common to all moms, and each season of motherhood holds new opportunities and challenges. This twelve-session series from Gather Moms seeks to express the things you’re feeling so that you know you are not alone. There is joy and victory in surrendering our struggles to Jesus and asking him for the power to keep going.

**Raising Sons of Promise**, by Roland Warren- Raising children is hard, but being a single mother of young boys comes with unique challenges. In addition to the demands of providing for our sons, we carry the broken promises of our son’s fathers and our unmet expectations for our future. At times, raising a son alone can feel impossible. But God has a great promise for you and your family. In this series, author Roland Warren will help us understand, process, and heal from the wounds of our son’s absent father while learning how to raise a young boy in today’s culture.
