"What God Has For You- The Final Chapter"

Based on The Story #31

Then I, John, saw the holy city, New Jerusalem, coming down out of heaven from God, prepared as a bride adorned for her husband.
Revelation 21:2

My Father's house has many rooms; if that were not so, would I have told you that I am going there to prepare a place for you? And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. John 14:2-3

1. God has _____ for us.

The angel who talked to me held in his hand a gold measuring stick to measure the city, its gates, and its wall. When he measured it, he found it was a square, as wide as it was long. In fact, its length and width and height were each 1,400 miles. Then he measured the walls and found them to be 216 feet thick (according to the human standard used by the angel).
Revelation 21:15-17

Then the angel showed me the river of the water of life...on each side of the river stood the tree of life, bearing twelve crops of fruit, yielding its fruit every month.
Pg. 468, Revelation 22:1-2

2. God has _____ for us.

She had a great and high wall with twelve gates...and names written on them, which are the names of the twelve tribes of the children of Israel...the wall of the city had twelve foundations, and on them were the names of the twelve apostles of the Lamb.
Revelation 21:12, 14

No longer will there be any curse. Pg. 469, Revelation 22:3

[God asked]: "Where are you?" [Adam said] "I heard Your voice in the garden, and I was afraid because I was naked; and I hid myself."
Genesis 3:9

Revelation, by Shane J. Wood- In this series, Shane J. Wood, Ph.D. (New Testament faculty at Ozark Christian College) will help you think critically about the book of Revelation and read it for what the text says and not what you have always been told that it says. Shane hopes to simplify the book so that you can better understand its message.

Revelation, by Eyewitness Bible Series- These videos are narrative accounts by Bible personalities about Revelation, such as the Apostle John talking about Revelation 1. The videos provide an excellent overview of the book of Revelation.

How to Read Revelation, by Tim Mackie- The Bible can be hard to interpret. It's lengthy, packed full of characters, and sometimes difficult to tie into daily life. Revelation, for example, tells the end of the biblical story. In this 12 minute video post, The Bible Project breaks down the book of Revelation into digestible pieces so we can understand and apply its truths.
