**Children's Worship Packets** are available at the sanctuary entrance with items to help busy minds and hands during worship. Since we give our Sunday School teachers a break during the summer, children remain with their family during worship – these packets help with focus, utilizing the same theme as today's message.

**Cry Room** – Located at the left rear of the sanctuary (& off the lobby), this is available for families with young ones who are restless. There is a speaker to enable you to hear worship.

**Nursery is available** for those 2 years old and younger. You may take your child to the nursery following "A Time for Our Young People" or prior to worship.

***Is the Mission of the Church "Missional"?***, by Kevin DeYoung- In recent years, "missional" has become a buzzword for Christian living, but what do we mean when we call something missional? Are we describing the purpose Jesus had in mind when He entrusted His disciples with the Great Commission? Pastors Kevin DeYoung, Ryan Kelly, and Greg Gilbert consider the topic to clear away confusion surrounding the biblical mission of the church.

***Mission in Motion-*** God has called all believers to go and make disciples of all nations, yet there remain thousands of people groups around the world who have never heard the name of Jesus Christ. The harvest is plentiful, so why are the laborers so few? Living on mission isn't just for "missionaries"—we all have a role in sharing Christ to the ends of the earth. In this series, Claude Hickman and Todd Ahrend of The Traveling Team help us rediscover our God-given purpose in life & examine ways that each of us can be involved in God's great mission.

***Work is a Mission Field-*** Sometimes we need a perspective change when it comes to work. When Nathan Sheets, Founder and President of Nature Nate's, saw God provide abundantly for his business, he began to view his work as a mission field and used his company to glorify God. Food Pantry- non-perishable food items (lobby entrance basket ) for local food pantries.

***Life On Mission*** - Youth Edition, by David Platt- In order to impact the next generation for Christ, we need to intentionally teach our youth the gospel and develop them for the purpose of fulfilling God's mission in the world. This mission goes far beyond the classroom; it's a radical call of obedience and faith—every day of our lives. Followers of Jesus are called to be a sent people, joining God in His mission to take the light of the gospel to the darkness of the world. In these four inspiring sessions, students share real-life stories about their own struggles with letting the gospel transform their lives and the impact surrendering to Christ has had on those around them.

**Harvest Table Needs** – distributing hot meals to those in need each week. Needed- [pull-top, pop-top- hand openable items]: crackers/cheese, peanut butter crackers, vienna sausage, fruit cups, fruit rollups, trail mix, popcorn, granola bars, small boxes/bags of cereal, pudding cups, breakfast bars, jerky, tuna salad, chicken salad, beef stew, raisins, small cans/pouches of juice, small peanut butter, hearty soup.
