## Welcome to New Life Church!

**VBS is DIFFERENT this year! Join us for "Happy Campers Family Bible Camp"** Tuesday, Wednesday & Thursday, July 14-16, 2020, 6:30-8:30pm. Due to current restrictions we will not be holding VBS as we know it at New Life Church this year. BUT, in its place we will be offering a three-night family bible camp. An adult family member will need to accompany each household of children throughout the entire evening. Family groups will stay together, honoring social distancing. Our goal is to provide families with the opportunity to celebrate God's love and experience spiritual growth together in a safe & exciting environment. We will still provide our upbeat and inspirational opening & closing sessions with crafts, games and bible story stations in between.

**Due to limited spacing, those active at New Life Church can register up until June 28, after which remaining spaces will be filled on a first come, first served basis.** (Please be aware of this deadline and submit registrations ASAP). The registration form can be downloaded from the church website or a copy can be found in the Lobby.

Donations to cover the costs of Crafts & Water Bottles are appreciated, but not required.

The Outreach Team is asking the congregation for donations of **cleaning and/or laundry supplies for Grace's Place**. Place items in the plastic bins in the lobby labeled "Grace's Place". Donated items will be picked up and delivered weekly.

**NLC Annual Congregational Meeting** will be held following worship, July 26, 2020.

- Team, Fellowship and Leadership Reports are due to the church office by June 30
- Watch for Annual Report Packets to be emailed by mid-July
- Information sessions will be held in the Front left of the sanctuary following worship on July 12 & 19. Elder Team Members and other leaders will be available to answer questions

**Some suggested Right Now Videos** to view in response to this week's message:

**Sharing Life**, by Pete Briscoe- The prospect of evangelism scares many of us. We know that we should tell others about Jesus, but don't always feel comfortable doing so. Have you ever tried to share your faith but felt more like you were giving a sales pitch or struggling to remember apologetic facts and verses? What if our approach to sharing the gospel has been misguided all this time?

**Quick Answers with Sean McDowell: Volume 1** - Starter's Guide to Sharing Your Faith- Sharing your faith can be one of the hardest and most intimidating things for a Christian. One of the reasons for this is because many of us have never been trained on how to effectively share your faith with another. In this series, join Dr. Sean McDowell as he walks you through this starter's guide on how to share your faith.

**Sharing from Scripture in a Post-Modern World**, by Tom Davis- In this training post, Tom Davis, from Word of Life Fellowship, encourages sound apologetics that answer several post-modern claims. Specifically, he teaches that pluralism is best combated by simply getting people into reading the Bible.
