The Star Spangled Banner - Set to the powerful music of our national anthem, this poetic reading of The Star Spangled Banner captures the sacrifice of our military and encourages prayer.

Freedom in Christ, by Steve Goss- The Freedom In Christ Course is for every Christian, from those who have been Christians for a long time to those who have only just made that decision, from those who are progressing steadily to those who feel stuck. It is designed to help you break through to a greater level of spiritual maturity uncover any areas of deception holding you back, and learn strategies to renew your mind and break free from negative thinking and unhelpful patterns of behaviour. Each session does not focus on how to behave but on how to believe. After all, Christ has already set us free (Galatians 5:1) and given us everything we need (2 Peter 1:3). It's just that sometimes it doesn't feel like it!

The Thrill of Freedom, by Chuck Swindoll- Author, radio broadcaster and Senior Pastor of Stonebriar Community Church in Frisco, TX, talks about the excitement of freedom in Christ compared to the sluggish slavery of sin.
