**Some suggested Right Now Videos** to view in response to this week's message:

**Who Is the Holy Spirit?**, by Sinclair Ferguson- Although the Holy Spirit is sometimes the forgotten Person of the Trinity, His presence and work is found throughout redemptive history. In this twelve-message series, Dr. Sinclair Ferguson traces the work of the third person of the Trinity through Scripture - from creation to the work of Christ to His dwelling in our hearts today. Along the way, he sheds light on the vital role the Holy Spirit serves. Dr. Ferguson's goal is to help us know the Holy Spirit as a person, in addition to knowing of His power and work within us.

**Who Is God The Holy Spirit?**, by Francis Chan- God gives each of us the gift of the Holy Spirit, our source of supernatural power. But today the church acts neither "super" nor "natural." How do we join the move of what the Spirit is doing? Maybe once we understand who the Holy Spirit is, the church can stop being so ordinary, and can start being the agents of change in the world that God designed us to be.

**The Holy Who,** by Brady Boyd- In this series, Pastor Brady Boyd explores our relationship with the Person, the Presence, and the Power of the Holy Spirit. We will learn to connect with the Holy Spirit, and how spiritual gifts shape our lives and communities.
