**Some suggested Right Now Videos** to view in response to this week's message:

**Crazy Love**, by Francis Chan- It's crazy, if you think about it. The God of the universe loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. God is calling you to a passionate love relationship with Himself. Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. The Crazy Love Study Resource helps you and your small group to dive deeper into God's love. A companion to the best-selling Crazy Love book by Francis Chan, this 10-week study follows a day-in-the-life of Francis in the form of ten, 10-minute segments that correspond to each chapter of Crazy Love. These thought-provoking teachings are designed spark discussion, interaction, and practical application of the Crazy Love message with small groups, churches, youth groups, and individuals.

**Love Letter from God**, by Priscilla Shirer- What if we saw the Bible less like a history book and more like a love letter? Author and Bible teacher Priscilla Shirer encourages Bible study leaders to experience the captivating love of God through the pages of Scripture and explains how to invite the women they lead to do the same.

**God's Great Heart of Love Towards His Own**, by Mike Bullmore- In this session from the Gospel Coalition National Conference, Mike Bullmore, senior pastor of CrossWay Community Church in Kenosha, Wisconsin, dives into the book of Zephaniah to examine the glimmering hope of the gospel in even the darkest of times..
