My Spiritual Journey, by Paul Thomas Mathews- Do you ever feel like your spiritual journey is a rollercoaster ride, full of ups and downs and unexpected turns? Are you longing to develop consistency and intimacy in your walk with God? Whether you're new to the faith or have been walking with God for years this Bible study will remind you of what it means to accept the gift of salvation in Christ Jesus. Pastor Paul Thomas invites you to a deeper, more intentional relationship with Christ and other believers.

Find Your People, by Jennie Allen- Never in the history of civilization have we been more connected and felt more alone. We are all so lonely. What if the ways we have set up our lives are fundamentally broken? In the Find Your People video Bible study, bestselling author Jennie Allen looks at the original community in Genesis, the Trinity, and the creation of people to see what God had planned for us all along. Jennie offers practical solutions for creating true community in a world that's both more connected and more isolating than ever before. Drawing on fascinating insights from science and history, timeless biblical truth, and vulnerable stories from her own life, Jennie helps us discover exactly how to dive into the deep end and experience the full wonder of community. Along the way, we'll discover the five life patterns required to build deep, connected relationships. You were created to play, engage, adventure, and explore—with others. Because while the ache of loneliness is real, it doesn't have to be your reality.

Fellowship with God (Top 10 Tips), by J.B. Nicholson- A believer's relationship with Father, Son, and Holy Spirit is the most important thing in life. These six videos focus on how we can grow deeper in our friendship with the triune God.
