Join Craig Roberts in Victoria Falls, Zimbabwe for this challenging four-session study as he looks at life on Earth through the lens of eternity, distractions that draw our attention away from Christ, and learn how to practically restructure each area of life to experience purpose, hope and joy every day!

Teamwork, by David Glass-Retired CEO and COO of Walmart, David Glass and Don Soderquist talk about their complimentary gifts in leadership and how important it is to put people first in leadership.

Better Together, by Donnie Smith- When an organization succeeds, its leader tends to get the credit. But leaders are only as good as those who follow them. Without an organized team effort, companies will fail no matter the talent of their leadership. In this seven-part series, Donnie Smith, former CEO of Tyson Foods, shares what he learned about the importance of service, teamwork, and collaboration as the leader of a highly influential company.
