Kingdoms, by John Ortberg- Each person has a unique area of influence, a personal kingdom. Some have small kingdoms, while others exercise tremendous dominion. In this session Ortberg encourages business leaders to seek God's Kingdom on earth, seeing His influence and dominion increase.

The Kingdom and Culture, by Tony Evans- We live in a time of cultural divide. Issues of race, community, politics, class, and law enforcement, clash and create chaos and hostility.

Within this context, Christians are called to step into the divide and represent another Kingdom. Discover how to be true Kingdom followers rather than cultural Christians.

The Kingdom Agenda, by Tony Evans- This timely series for the family taught by Dr. Tony Evans covers essential areas for strengthening the home. Dr. Evans presents biblical truths on each role, and how an individual is to best maximize his or her calling for God's kingdom through the institution of the family. Whether you are married or single, this series will give you the tools you need to properly build your family foundation now according to God's blueprint for dynamic living. Also makes a great gift idea for newlyweds or those recently engaged.
