**Some suggested Right Now Videos** to view in response to this week's message:

**Moses and the Burning Bush**, by R.C. Sproul- The familiar narrative of Moses and the burning bush evokes wonder and awe, but do you know God's motives for revealing Himself to Moses in this manner? In this series, R.C. Sproul examines the biblical account of Moses' life-altering encounter with the Holy God. Thru 10 lectures, he explains the meaning behind God's appearance in the burning bush as well as the importance of His words to Moses. Furthermore, Dr. Sproul demonstrates how the coming of Jesus Christ is foreshadowed in this meeting between God and Moses on holy ground.

**Moses: Eyewitness to Glory**, by Mindy Ferguson- Moses was an eyewitness to the glory of God. Despite his sometimes-crippling sense of inadequacy, he was chosen to free the Israelites from slavery in Egypt. Moses' encounters with our Lord enabled him to continue despite his personal sense of unworthiness and the many obstacles and hardships he experienced along the way. "He persevered because he saw Him who is invisible" (Hebrews 11:27). As you see God move on behalf of His people during the Exodus, you will gain a greater revelation of His matchless power and holy character.

The same God who was concerned about His people's suffering in Egypt and used Moses to deliver them from their oppression, is mindful of the matters that weigh heavily upon your heart. God is at work in your circumstances, just as He was at work in the lives of the Israelites. Through this study, you will learn to discern His active presence and find hope and encouragement for your journey. You, too, can be an eyewitness to His glory.

**Moses**, by Art Ayris- [Kids Videos] For 400 years the Hebrew people serves as slaves under the Pharaohs of Egypt. In their bondage they cry out to God who sends them a deliverer. Moses returns to the people of Israel with a mandate from God that He has heard His people and the time for their deliverance is at hand. When Moses goes to the great Pharaoh, ruler of all Egypt, with God's command and directive it is not well received and only increases the pain of the Hebrews. When Pharaoh refuses to heed the message from God and His messenger Moses, God begins a series of plagues to get the attention of Pharaoh. The might of God is released in a total of ten plagues that devastate Egypt and finally compel Pharaoh to release the people of Israel.
