Faith Foundations, by David Platt- 10 Essential Christian Truths- Whether we’ve been Christians for years, discovered faith in Jesus recently, or are still wondering what it’s all about, we share similar questions about why and how to live out our faith. We wonder: What are we made for? What does it look like to know God deeply? Why are we called to reflect his light to those around us—and how do we do that? Join author and pastor David Platt in his ten-session series as he examines foundational truths for becoming mature disciples of Christ.

Darkroom Faith- [For Teens] We all have them. Those nagging questions hidden away in the dark corners of our mind. “Why would a loving God send people to Hell?” “Don’t all religions lead to God?” “Can I have faith in God and faith in science?” Darkroom encourages students to ask questions and think critically about their beliefs. It’s a catalyst for conversations that open your mind, push you forward, and light a spark within. We believe that faith often develops in the dark, & that many times, spiritual growth starts with comfort in the not knowing

Faith in Hostile Times, by Berni Dymet- Are you overwhelmed by the godlessness sweeping across our world and flooding every corner of cyberspace? Are you disillusioned that the most vitriolic voices in debates are sometimes those of people calling themselves Christians? In this five-part series, Berni Dymet explores how Jesus engaged with and responded to people who were hostile toward Him. In Jesus’ example, we find a way to hold tight to the truth, while speaking it in love.
