For those staying in worship, children's activities & resources are available at the entrance which aid in keeping young, "busy hands" productive during worship.

A Cry Room – Located at the left rear of the sanctuary, and off the lobby, is available for families with young ones who are restless. There is a speaker with adjustable volume.

FAMILY AT ITS BEST... Our current message series is based on 1st John. In the early church there was a beautiful and powerful understanding of family. In this series we'll do a deep dive into the "Hows" and "Whys" of living as "Family" - be it in your household, community group/sports team, or New Life Church.

Some suggested Right Now Videos to view in response to this week's message:

Fight, by Craig Groeschel- explores the life of Samson, helping you to uncover who you really are - a man created with a warrior's heart in the image of God- and how to stand up and fight for what's right. Find the strength to fight the battles you know you need to fight - the ones that determine the state of your heart, the quality of your marriage, and the spiritual health of your family. The battles that make you come alive. You'll learn to use the weapons God gave you, and you'll win. Can you fee it? It's inside you. It's time to fight like a man.

Warrior Women: Deborah, by Bianca Juárez Olthoff- God desires each of his children to follow his call. But sometimes the battles we fight for God's kingdom defy our expectations, leading us to trust him more deeply. Explore the story of Deborah, Barak, and Jael and discover what being a warrior for God looks like.

Junior's Giants (for kids & the entire family)- Spark imagination and faith with Junior's Giants, a humorous and uplifting series teaching moral lessons as Anderson conquers his giants with the help of family, friends, prayer, and Scripture.
