**The Power to Change**, by Jennie Allen- Life change happens at the moment you begin a relationship with Jesus. You have been rescued. But what happens when daily temptations and distractions from following Jesus leave you feeling overwhelmed and stuck in the same discouraging patterns? This study will help you understand the work of the Holy Spirit in your life and the process of sanctification. There is no checklist to follow, but there is a daily act of surrender to a God who will continue to mold and shape you.
